Technical Data

Mechanical Data

Thread	M3 × 8 mm
Installation Type	Aluminum profile with T-slot
Material	Aluminium 6063-T5
Surface treatment	Clear anodized
For edge length	10 × 10 mm
Rod length	600 mm
Weight	74 g
Packaging unit	1 Piece

- 10 × 10 mm square profile
- Profile can be cut into smaller pieces
- Profile length: 600 mm with T-slot

Thanks to the T-slot on all four sides, the innovative mounting profile is ideal for mounting the miniature design and other items. The mounting profile can be cut individually to smaller lengths.
