Optical Data	
Polarization Filter	yes
Mechanical Data	
Housing Material	Plastic, ABS
Housing Material	Plastic, PC
Housing Material	Plastic, PVAL
Housing Material	Plastic, TAC

- **Increased homogeneity**
- **Long-term mounting with screws**
- **Magnetic mounting for test purposes**
- **Quick and easy beam-angle change, ideal for project changes and feasibility studies**

wenglor ZRLGxx is an optical accessory for the LRL ring lights. These are small optical diffusers that increase the beam angle of the bar light. This gives the user first-class flexibility with a single light source. The angle changer increases the beam angle of the LRL ring lights up to the value of the aperture angle specified in the data sheet.
